

STATEMENT OF PURPOSE**RS22474**

This bill creates a simple format for medical retainer agreements to provide routine health care services on a contract, non-insurance, basis which is exempt from regulation by the Department of Insurance. These services are otherwise known as "Direct Primary Care" under the Patient Protection Affordable Care Act (PPACA), or as "concierge" medical services. This bill is patterned after a similar Utah provision

FISCAL NOTE

No impact to the general fund.
